* 184 Q.—SRI S. K. SAMBANDHAN : Will the Hon. the Chief Minister be pleased to state—

(a) whether the teachers of the Neyveli Lignite Corporation Block Elementary Schools are paid from the funds allotted to the Kurinjipadi Panchayat Union;

(b) if so, the reasons therefor; and

(c) the amount paid each month?

11th November 1965]

THE HON. SRI M. BHAKTAVATSALAM: (a) Yes.

(b) The Neyveli Lignite Corporation Block Schools are permitted to be opened as aided schools under private managements in the Panchayat Union area with the concurrence of the Panchayat Union, Kurinjipadi. The teaching grant is paid through the Panchayat Union, Kurinjipadi, to these schools as in the case of other aided schools in the Panchayat Union areas.

(c) The amount paid during 1965–66 is as below:

		RS.
March 1965	... ...	3,854
April 1965	... ...	6,097
May 1965	... ...	12,530
June 1965	... ...	9,856
July 1965	... ...	9,925

SRI S. K. SAMBANDHAN: Sir, these elementary schools are run by the Neyveli Lignite Corporation which also runs other schools on the management basis. For them, they pay from their own funds or from the Government of India Funds. But for these elementary schools the grant is paid out of the Kurinjipadi Panchayat Union Funds. Therefore the other elementary schools in the union area are affected. Why should not the Government direct the Corporation to claim the grant from the Government direct or from the Government of India direct?

THE HON. SRI M. BHAKTAVATSALAM: Sir, I have answered these points in the original answer that I read already. These schools run by the Neyveli Lignite Corporation are treated as aided schools. Aided schools are eligible for some grant from the Government of Madras and the Government grants that are paid are not paid from out of the Panchayat Union Funds. The grants are paid by the Government, as they are entitled to the grant as aided schools. The remittance is made through the Panchayat Union. That is all.

SRI S. K. SAMBANDHAN: Will the Hon. Minister tell us whether the other aided institutions in the State are also paid only through the Panchayat Unions.

THE HON. SRI M. BHAKTAVATSALAM: If they are elementary schools, generally it is the position, and they are paid through the Panchayat Unions.
